

Since 2003, when NoHaz began, Oakland County residents have properly disposed of **7,012,840 lbs** of waste.

## Collection Event Best Practices

### To help accelerate the drop-off process:

- Separate materials in your trunk, trailer or truck bed into three types:
  1. Paint
  2. Electronics
  3. Other household hazardous waste
- Fill out a registration form in advance (or present a voucher, if required)
- Present your driver's license or other proof of residency
- Pay with cash or check, if your community charges a fee (see a full list of fees on the reverse side of this brochure)
- Remain in your vehicle at all times
- Bring acceptable materials only — liquids must be in leakproof 5-gallon containers or smaller
- **Bring residential waste only — no business, institution or contractor waste**

A full list of acceptable materials is available at [NoHaz.com](http://NoHaz.com)

## Alternative Disposal Options

Although some of these items are accepted at NoHaz, you can dispose of them by other means:

### Carbon Monoxide, Smoke & Radon Detectors

Check for instructions on back of device to return to the manufacturer.

### Prescription Medications

Visit [OaklandSheriff.com/CommunityServices](http://OaklandSheriff.com/CommunityServices) to learn more about Operation Medicine Cabinet.

### Latex Paint

Donate to local theater groups or Habitat for Humanity. If unusable, mix with cat litter, sawdust or waste paint hardener and set out with regular trash once it has dried to a solid.

### Motor Oil & Automotive Batteries

Contact a discount auto supply store or your local oil change facility.

### Unknown Chemicals

Contact Poison Control: 1-(800) 222-1222

For other alternative disposal options visit: [NoHaz.com](http://NoHaz.com)
