

Since 2003, when NoHaz began, Oakland County residents have properly disposed of **7,359,548 lbs** of waste.

Collection Event Best Practices

To help accelerate the drop-off process:

- Pre-register and pay applicable fees at NoHaz.com
- Separate materials in your trunk, trailer or truck bed into three types:
 1. Paint
 2. Electronics
 3. Other household hazardous waste*
- Clearly separate items brought for disposal from other possessions in your car.
- Bring acceptable materials only; liquids must be in leakproof 5-gallon containers or smaller.
- Bring residential waste only; no business, institution or contractor waste.
- Present your driver's license or other proof of residency and your registration ticket (either printed or on a mobile device).
- Remain in your vehicle at all times.
- Wear a mask when interacting with volunteers.

A full list of acceptable materials is available at NoHaz.com

*Chemicals, motor oil, fertilizers, batteries, syringes, etc.

**Your community is the city, village or township you pay taxes to, not necessarily what is listed on your driver's license.

Alternative Disposal Options

Although some of these items are accepted at NoHaz, you can dispose of them by other means:

Carbon Monoxide, Smoke & Radon Detectors

Check for instructions on back of device to return to the manufacturer.

Prescription Medications

Visit OaklandSheriff.com/CommunityServices to learn more about Operation Medicine Cabinet.

Latex Paint

Donate to local theater groups or Habitat for Humanity. If unusable, mix with cat litter, sawdust or waste paint hardener and set out with regular trash once it has dried to a solid.

Motor Oil & Automotive Batteries

Contact a discount auto supply store or your local oil change facility.

Unknown Chemicals

Contact Poison Control: 1-(800) 222-1222

For other alternative disposal options visit: NoHaz.com
