

COVID-19: Resources for Job Seekers

Oakland County Michigan Works! is supporting job seekers and their families throughout the region during the COVID-19 response. Your health and safety, as well as that of our staff, is our top priority. Go online or call to access a number of important resources:

FILE AN UNEMPLOYMENT CLAIM

You do not have to visit an Oakland County Michigan Works! service center to file an unemployment claim at this time. Go online at Michigan.gov/UIA or call (866) 500-0017 and follow the instructions. After doing this, you do NOT have to visit one of our offices to register for work.

ACCESS COMMUNITY SERVICES

Do you need help paying bills or other resources? You can access a range of nonprofit and government resources in your area through United Way 211. Dial 2-1-1 or visit Mi211.org. You also can access the Oakland County Michigan Works! resource guide at OaklandCountyMiWorks.com. This includes bill paying assistance, children and families services, crisis and disaster services, education resources, services for elderly and disabled individuals, and employment needs.

GET A NEW JOB

There are employers who are hiring at this time. You can visit MiTalent.org to explore new registered job opportunities across Oakland County and the region. We work closely with the employers who post opportunities on this website. They need people now.
