Explore Registered Apprenticeships

Searching for an exciting and rewarding career opportunity? Do you want to get paid to learn? Then come explore Department of Labor Registered Apprenticeships at the free Oakland County Apprenticeship Showcase.

High school and college students, as well as adults, who are interested in this career pathway are invited to participate in this engaging, interactive event.

Take advantage of personal, one-on-one conversations with our industry partners and learn about the broad array of apprenticeship opportunities available in a number of fields:

- Building Trades
- Healthcare
- Information Technology
- Manufacturing
- Pharmacy
- And many more

Do not miss this chance to see firsthand why apprenticeships are growing in popularity among people of all ages.
