Revised 04-01-2019
Home improvements can seem out of reach due to inflation, high interest rates and the rising costs of construction. To help qualified families with necessary home improvements and repairs, Oakland County Community & Home Improvement (OCCHI) provides home improvement loans. **There is no interest and there are no payments. When you sell, move or lease your home, the total loan is due and payable.**

The OCCHI division is funded through the U.S Department of Housing and Urban Development (HUD) Community Development Block Grant Program; the HOME program and a portion of our funds come from Oakland County. We have been doing home improvement loans in Oakland County since 1976.

**Repairs we can do...** This program addresses necessary basic home improvement issues, **with an emphasis on health and safety items.** The following is a list of eligible home improvements your home might need:

- Barrier Free Access
- Heating System
- Windows
- Siding
- Bathrooms
- Electrical Systems
- Doors
- Basement Waterproofing
- Plumbing
- Insulation
- Porches
- Structural Defects
- Wells
- Roofs
- Kitchens
- Water & Sewer Lines
- Septic Systems
- Chimneys

**What we don't do...** Additions, improvements on condominiums, mobile homes, rental units, accessory buildings, landscaping, painting, patios and fencing.

**GROSS HOUSEHOLD INCOME LIMITS**

Federal Regulations require us to **anticipate income,** using the household’s current circumstances to project future income. **WE ARE TO ASSUME THAT TODAY’S CIRCUMSTANCES WILL CONTINUE FOR THE NEXT 12 MONTHS.**

Current gross income is not last year’s income. **Gross income includes the earnings of all adult household members plus the benefits of all household members.** Benefits include child support, Social Security benefits, alimony, etc.

   • There must be enough household income to maintain the household.

2. You must own the home and it must be your primary residence.

   • Our staff will verify homeownership through the Oakland County Clerk Register of Deeds.

3. Your mortgages and home equity loans must be current.

4. Your property taxes must be current.
   • Taxes are verified through the Oakland County Treasurer's office.

5. There must be enough equity (loan value) available.

************************************************************************************

1. Following the preliminary eligibility review, an in-home condition and compliance review will be performed by the assigned Field Technician.
   • Questions regarding the work to be done will be answered by your field technician.
   • Your Field Technician will coordinate the bids and monitor the construction work.
     o Bids are only requested from the OCCHI "pre-approved" contractor list.

2. There will be no exchange of cash between Oakland County and the homeowner.
   • Oakland County makes payments directly to the selected contractor upon satisfactory completion of the work.

3. **Your heirs must repay this Oakland County Community & Home Improvement mortgage just as they must repay all your debts.**

************************************************************************************

If you wish to refinance your home in the future, your lender will request a subordination from Oakland County.
   • This means your Oakland County Home Improvement loan position will be in a lesser lien position than that of the new lender.
   • **We will not subordinate to an adjustable rate loan or if you are taking cash out.**

Oakland County retains the right to decline any subordination request that jeopardizes the ability of Oakland County to collect on its outstanding loan.
