DON'T MISS YOUR CHANCE TO BE PART OF THE REGION'S LARGEST INTERNET OF THINGS EVENT!

IoT Tech Connect has been developed as an unbiased gathering where companies, institutions, associations, and professionals can network, show off their products and services, and become educated on Internet of Things, M2M, and Autonomous Vehicles. There are 60 sponsors and exhibitors expected. Several thousand attendees will be coming to hear from industry thought leaders during our keynotes and breakout sessions. Media outlets of all kinds will be tightly focused on the event.

IoT Tech Connect will provide the perfect place to launch a new product or service, make your mark as a thought leader in IoT, build up your brand in the eyes of your target market, and most importantly, gain an advantage over your competitors.

You will have opportunities to meet customers, and build professional relationships. IoT Tech Connect is a vital inclusion to your marketing campaign. Reach out now to determine what opportunities are available for you and your team to join other IoT leaders at Michigan's largest IoT event of the year!
