

Oakland County's Michigan Works! office in Pontiac takes great pride in supporting the residents of the city and surrounding communities. We look forward to continuing this important job well into the future.

Effective July 1, 2018, Goodwill Industries will assume management of the Pontiac location, replacing Oakland Schools after many years of dedicated service. Please note the following changes:

- The Oakland County Michigan Works! office will temporarily remain at the same location – 1850 N. Perry St. in Pontiac.
- A new permanent location will be selected within Pontiac.
- Some services may be limited at the Pontiac location between July 1 and Sept. 30, 2018, however the full array of services are offered by visiting our other Oakland County Michigan Works! locations (see below).

We expect the transition to be completed by Sept. 30, with our full slate of services available to job seekers and businesses in Pontiac and the surrounding communities.

Please be assured, Oakland County Michigan Works! is committed to Pontiac and its residents. We appreciate your patience and apologize for any inconvenience this transition of services may cause. Questions should be directed to Oakland County Michigan Works! at (248) 858-5520.
