Lisa Brown
Oakland County Clerk/Register of Deeds
oakgov.com/clerkrod
Dear Oakland County Resident:

I’m honored to serve as your Clerk/Register of Deeds. Inside this directory you will find district maps, contact information for county departments and state, county and local elected officials, as well as the offices of our cities, villages and townships - plus facts about the programs and services offered by the county.

**Innovative Customer Service**

I’m responding to the needs of residents by making services more convenient and accessible to everyone, especially students and seniors.

We’ve expanded our Local Office Visits program, bringing services to locations across Oakland County including community centers, schools, and senior centers. At our Local Office Visits you can obtain copies of birth, death and marriage certificates; marriage license applications; copies of deeds, mortgages, liens and other property documents; business registration or renewals; copies of Oakland County Circuit Court documents, including divorce records; voter registration and absentee voter applications; notary public applications; and Concealed Pistol License renewals.

Of course, we offer a full range of services at our main office in the Oakland County Service Center Complex, such as name change petitions, notary public services, Concealed Pistol License applications and much more. We also manage and create public records for all land situated in Oakland County. This includes deeds, mortgages, foreclosure records and personal property filings.

Many services are available online at www.oakgov.com/clerkrod, including access to personal records, voter registration and absentee ballot forms, legal and business records, and our new online Concealed Pistol License application. Through our website, you can also perform a property document search, sign up for our Property Fraud Alert Service to receive alerts of any recordings in our office related to your personal or business name, and use Court Explorer to search 6th Circuit Court records. We also provide an E-Services Center at our main office, with public computers for eFiling and Court Explorer searches.

**Elections**

Voting is one of the fundamental rights of American citizenship. As our county’ s chief election official, protecting the integrity of our elections is a top priority. This includes making the voter registration process more accessible. We’ve already brought voter registration information and services to local college and high school campuses and will continue to do so. Plus, you can sign up for our Election Reminder Service to receive email alerts of upcoming elections so you never miss a chance to vote.

Through our website, you can also track your absentee ballot and use our Election Night reporting system to view results, including interactive maps. In addition, you can view and print campaign finance reports for local school and county candidates and political action committees from our website.
Serving Oakland County With Integrity

I’m committed to bringing to the Clerk/Register of Deeds office the leadership and integrity residents expect and deserve. Oakland County Board of Commissioner meetings are posted online, along with the county budget and other official documents. At Open Oakland (https://www.oakgov.com/openoakland), our government transparency project, you can search agendas, minutes, reports, regulations and county ordinances. We continue to look for opportunities to provide greater access and transparency.

I consider it a privilege to serve the people of Oakland County and am proud to work with the excellent staff at the Clerk/Register of Deeds office. Our team is always ready to assist you. If you have questions or suggestions, contact us any time at clerk@oakgov.com.

Sincerely,

[Signature]

*Elected Officials*
OAKLAND COUNTY GOVERNMENT

In August of 1974, Oakland County citizens voted to create the first optional unified form of county government in the history of Michigan. Less than 60 such governments exist across the nation.

The government is headed by an elected County Executive with responsibilities similar to those of a governor or the mayor of a large city. The County Executive administers the government on a day-to-day basis, proposes new programs, and revamps existing programs. The County Executive represents the interests of more than one million residents.

Under this structure the Board of Commissioners performs a role similar to a state legislature or city council. It acts on proposals submitted by the County Executive and makes proposals of its own. It possesses the legislative and administrative powers granted by State Law. The County Executive may veto acts of the Board and the vetoes can be overridden by a two-thirds vote of the Board.

The executive form of government did not change the third branch of government, the judiciary. Similarly, the five other offices headed by officials elected countywide remain unchanged. These are the Prosecutor, the Sheriff, the Clerk/Register of Deeds, the Treasurer, and the Water Resources Commissioner.

AUTOMATION ALLEY

In 1999, Oakland County Executive L. Brooks Patterson identified Automation Alley as one of the nation’s fastest growing technology regions. He recognized the need for an active government, education and technology partnership – an organization that would provide direction, focus and a single voice for technology companies in Southeast Michigan.

Since its founding in 1999, Automation Alley has expanded to include nearly 1,000 businesses, educational institutions and government entities from the City of Detroit and the surrounding eight-county region. Automation Alley promotes regional prosperity and drives economic growth through entrepreneurial and exporting assistance, workforce development and defense industry opportunities.

Automation Alley has all the elements to support and grow a world renowned technology cluster. On many quality of life indicators, Automation Alley is on par with or better than those technology clusters considered the most desirable in the nation – older, more developed technology clusters like California’s Silicon Valley and Boston’s Route 128.

For additional information, visit automationalley.com.
OAKLAND COUNTY COMMUNITY MENTAL HEALTH AUTHORITY

Oakland County Community Mental Health Authority’s (OCCMHA) mission is to inspire hope, empower people, and strengthen communities. It achieves these important objectives by identifying, influencing, and delivering comprehensive, public mental health services to Oakland County citizens.

Persons who receive public mental health services through the OCCMHA service network include those who have a developmental disability or mental health illness; children with serious emotional problems and their families; or individuals with substance use disorders. In 2014, OCCMHA provided services to more than 27,000 people. The majority of these individuals have Medicaid, with many receiving Medicare as well. Additionally, nearly 30% of persons served by OCCMHA have no current health insurance.

A full array of mental health and community-based services are offered through OCCMHA’s contracted, service provider network, including evaluation and screening; hospital and residential treatment; respite care; clubhouse and day programs, supported employment; multilingual programs, correction services, and dual diagnosis for individuals with both a mental health and substance use disorder.

OCCMHA’s core service provider network is comprised of highly well-respected community organizations: Common Ground, Community Housing Network, Community Living Services/Oakland County, Community Network Services, Easter Seals Michigan, Macomb-Oakland Regional Center, Oakland Family Services, and Training and Treatment Innovations. While each service provider specializes in a specific treatment area, they all work together to achieve the common goal of reaching out and getting appropriate help to people in need in order to improve their quality of life and strengthen Oakland County’s community as a whole.

OCCMHA manages a $270 million dollar budget and funding for more than 300 services sites. More than 90% of OCCMHA funding for mental health services is provided by two sources: Medicaid capitation payments and the State General Fund. An additional four percent of its funding is provided by Oakland County. Ninety-five percent of OCCMHA’s funding is designated for contracted supports and services for Oakland County residents, with approximately three percent used for administrative expenses.

OCCMHA is also fully certified by the State of Michigan Department of Community Health as required by the State Mental Health Code and the Commission on Accreditation of Rehabilitation Facilities (CARF).

Oakland residents can learn more about public mental health eligibility requirements and OCCMHA service options by contacting its Resource and Crisis Helpline at 1-800-231-1127. The Helpline is available 24 hours a day. They can also visit www.occmha.org.
DISCOVER OAKLAND COUNTY PARKS AND RECREATION

Oakland County Parks hosts nearly two million visitors annually at its 13 parks and golf courses nestled on 6,700 acres. The Oakland County Parks and Recreation Commission is dedicated to providing quality recreation experiences and promoting the protection of natural resources.

Recreation, leisure and learning opportunities are made possible through special events, programs and facilities supported in part by a quarter-mill tax. Voters have supported Oakland County Parks and Recreation since its inception in 1966, paying an average of $21 per year on a $175,000 market value home to maintain, improve and acquire parkland.

Top projects for 2015 include: construction of accessible kayak/boat launches at Addison Oaks and Independence Oaks county parks; fishing dock replacement at Addison Oaks; shade structure replacement at Red Oaks Waterpark; a boardwalk north connector at Rose Oaks County Park; golf course irrigation replacement at three courses and parking lot improvements at two locations.

For details about Oakland County Parks and Recreation, call 1-888-OCP ARKS, visit DestinationOakland.com or find the Parks on Facebook at facebook.com/ocparks.

Addison Oaks County Park:
The 1,140-acre park offers swimming, boating, picnicking, fishing, geocaching and special events. The park also features a 24-hole disc golf course, campground and extensive trail system. There are more than 20 miles of paved and unpaved trails for hiking, mountain biking (new for 2015 Fat Tire Winter Mountain Biking), cross-country skiing and equestrian use. The campground offers individuals and group sites, yurts, rental cabins and campground recreation activities. The historic Buhl Estate is ideal for weddings, banquets, receptions, business meetings and more.

Catalpa Oaks County Park:
The park offers 24 acres of open space with six soccer fields, a baseball diamond and softball field, a concession/restroom facility, picnic shelter/pavilion and two playgrounds.

Glen Oaks Golf Course:
The 18-hole course includes a 1920s English-style stone clubhouse with a grill room, banquet facilities and outdoor wedding garden. The course also offers “Tee to Green” cart paths to facilitate play in wet weather and a pro shop with club room.

Groveland Oaks County Park:
Campers have a choice of modern individual or group campsites, yurts and cabins. The 360-acre park and campground features a sandy beach with swimming, waterslide, fishing, boating and pedal boating, children’s playscape, court games, 18-hole mini golf course, skate park and paved trail.

Highland Oaks County Park:
The 302-acre undeveloped park has rolling hills, wetlands and pastures. 2.5 miles of multi-purpose trails provide hiking, mountain biking, equestrian and cross-country skiing opportunities. Fishing is available on an accessible fishing dock.

Independence Oaks County Park:
This 1,276-acre park features year-round recreation opportunities with more than 12 miles of trails for hiking, biking, in-line skating, cross-country skiing and snowshoeing. The 68-acre Crooked Lake provides fishing, boating, and swimming fun. Patrons can also enjoy picnic areas and rental shelters, court games and playground equipment. The Wint Nature Center offers interpretive exhibits and year-round nature education programs for children and adults, as well as scout programs and birthday parties. The nature center also features the Rubach Sensory Garden, a water garden and the Cohn Outdoor Amphitheater. Camp Wilderness offers the camping experience to youth groups with platform tents, shelter, fire circle, modern bathhouse and access to park amenities. Upper Bushman Lake at Independence Oaks-North is one of only seven catch-and-release-for-all-fish-species lakes in Michigan.
**Lyon Oaks County Park:**
Lyon Oaks preserves 800 acres of environmentally-sensitive wetlands within 1,041 acres. It features an Arthur Hills-designed 18-hole **golf course**, driving range, grill room, banquet and meeting facilities. There are six miles of **trails** for biking, cross-country skiing and on-leash dog walking, picnic shelters, playground equipment and recreation fields. Dogs can play off-leash at the 13-acre **dog park**.

**Orion Oaks County Park:**
More than 927-acres of environmentally-sensitive green space are preserved within Orion Oaks County Park. The park offers boating and fishing on 90-acre Lake Sixteen and 10 mile of **trails** for hiking, biking and cross-country skiing. A 24-acre **dog park** offers trails, small and large dog areas, and a swimming area for dogs only.

**Red Oaks County Park:**
Red Oaks County Park features a dog park, golf course, waterpark, youth soccer complex and nature center. The five-acre **dog park** offers three fenced enclosures, small dog area and picnic shelter. Golfers can enjoy the 9-hole **golf course** which now hosts **FootGolf**. The **waterpark** offers a season pass to enjoy a wave-action pool, triple waterslide, river ride and children’s water playgrounds. The **soccer complex** features soccer fields, a playground and concessions/restrooms. **Red Oaks Nature Center** hosts interpretive programs, interactive displays, scout badge days and is available for birthday parties.

**Rose Oaks County Park:**
Approximately 640-acres are preserved in the park’s natural environment, featuring open meadows, wooded uplands, and 200 acres of wetlands. Visitors can enjoy fishing, geocaching, and nearly five miles of natural trails for hiking and equestrian use.

**Springfield Oaks County Park:**
The complex includes an 18-hole **golf course** which is open in the winter for cross-country skiing. A multi-purpose **activity center** hosts banquets, receptions and 4-H events. The park also features the historic **Ellis Barn**, which can be rented for weddings, dances, corporate events, or other occasions calling for a unique, beautiful and memorable venue.

**Waterford Oaks County Park:**
The 186-acre park is home to the commission’s administrative offices. It also features a **bicycle motocross track**; and universally-accessible **Paradise Peninsula Playscape**. The **waterpark** offers a season pass to enjoy Michigan’s first wave-action pool, group raft ride and children’s water playground. Winter recreation includes a 325-foot-long **Family Sledding Hill** and platform tennis courts. The **activity center** hosts wedding receptions, meetings, special interest classes and more. The **Oakland County Market** provides grower-direct fresh produce and flowers, as well as nutrition-based educational programs for patrons. Available for rental for events, large and small.

**White Lake Oaks Golf Course:**
The 18-hole golf course includes 194-acres with a clubhouse, pro shop, club room, garden patio and banquet facilities.
SERVICE CENTER COMPLEX

The Oakland County Service Center Complex has been developed over the past century and functions as the hub of county government. The majority of the county’s departments and institutions are presently located on a 443 acre site in the City of Pontiac and Waterford Township. The County developed the complex by systematically constructing facilities as needed and funding permitted. It is laid out in a spacious, arboretum-style setting designed to be functional, efficient and aesthetically pleasing. The Service Center was designed with a “community” concept grouping similar or related functions together. It has a Central Heating Plant with high-pressure steam boilers that provide all heating, cooling, and hot water to 15 campus buildings, including the Courthouse and Law Enforcement Complex. It is also serviced by full fiber optic connectivity and a county-owned and operated private telephone business exchange to facilitate state-of-the-art communications between all government units and the public.

The Circuit, Family and Probate Courts, as well as the offices of the Clerk/Register of Deeds, Treasurer, Prosecutor, and Board of Commissioners reside in the 320,000 square foot Courthouse. Other major facilities located on campus are the Executive Office Building, Medical Examiner’s Office, North Oakland Health Center, Farmer’s Market, the Water Resources Commissioner’s Office, and Pontiac Health Division. Also, the Oakland County Sheriff’s Administration Office and Correctional Facilities both reside on the Service Center. One of the largest operations on the Service Center is Children’s Village, which provides detention, shelter, care, and residential treatment services for neglected and delinquent wards of the court. The Village is situated on 50 acres in Waterford Township and provides a home-like atmosphere for troubled children and their families.

Including the Service Center, the County operates 47 facilities with 1.9 million square feet of space, 600 acres of grounds, 60 acres of parking lots, and over 30 miles of utility lines and heating service tunnels to support approximately 95 departments, divisions, and units. This includes several satellite offices: the Oakland County International Airport (Waterford); Animal Control (Auburn Hills); South Oakland Health Center (Southfield); South Oakland Office Building (Troy); and the four 52nd District Courts (Rochester Hills, Clarkston, Novi, and Troy). Parks & Recreation, the Sheriff’s Office, and the Water Resources Commissioner also have numerous remote facilities.

In addition, the Oakland County Sheriff’s Office Headquarters and Correctional Facilities are both located on the Service Center Complex. The Correctional Facilities, on average house over 1,550 inmates in custody every day. The Sheriff’s Office has a Traffic and Alcohol Enforcement Unit; 24 member Motorcycle Unit; K-9 Unit; Aviation Unit; Marine Unit; Emergency Dispatch Services; Court Security Services; DNA Lab; Forensic Science Lab; Fire Investigations; Narcotics Enforcement; Computer Crimes; Parks; Fugitive Apprehension Team; Warrants; Friend of the Court Enforcement; Special Investigations Unit; Auto Theft Unit and Training Unit. The Sheriff’s Office participates in regional task forces and also has numerous free community service programs available.

The Oakland County Service Center is a model complex and is the core of County government. Oakland’s officials are proud of the complex and its related facilities. County citizens and visitors from other counties, states and nations have found and will continue to find themselves most welcome.
Almost half of all highways, roads, and streets in Oakland County are part of the county system, which is under the jurisdiction of the Road Commission for Oakland County.

Totaling more than 2,700 miles, RCOC’s road system includes all public roads in townships, except state highways, and through-streets in most cities and villages. It is the largest county system in Michigan, second in size only to the state highway system. Subdivision streets alone (all in townships) make up more than 900 miles.

About two-thirds of the system is paved. More than half is within the county’s urban area, where some roads are four, five, six and seven lanes wide to handle heavy traffic. A single intersection, in Southfield, is the meeting place for 100,000 vehicles daily. More than 1,200 signals and 120,000 signs are in use on the county road system.

The Road Commission has no authority to levy a countywide tax, nor does anyone levy a tax countywide for roads. The basic source of Road Commission revenue is state-collected vehicle fuel taxes, which motorists pay at the pump, and vehicle registration fees paid to the Secretary of State. The state-collected taxes are the only source of substantial funding for county road maintenance and snow and ice control.

Federal, county, municipal, township and property-owner contributions are also received, but generally only for specific road projects. Such projects include adding lanes, intersection improvements, paving gravel roads, adding new gravel, resurfacing paved roads, adding passing lanes and other safety improvement projects.

In 1992, RCOC embarked on a program called FAST-TRAC, an Intelligent Transportation Systems (ITS) effort. The Road Commission has installed “smart” traffic signals operated by computers and video vehicle detection at more than 675 intersections across the county. This is the second largest adaptive traffic control system in the United States and the largest video imaging system for traffic management in the world. The Road Commission was the first local unit of government to initiate a program of this scope and magnitude.

For paving and resurfacing of subdivision streets, property owners can petition RCOC to create a special assessment district through a process prescribed by state law. The process begins by contacting the Road Commission, then petitioning and participating in public hearings.

Members of the three-person Board of County Road Commissioners are appointed for staggered six-year terms by the elected Oakland County Board of Commissioners, which also sets their salaries. State-collected vehicle fuel and registration tax revenues fund salaries. The Board of Road Commissioners is separate from county general government - establishing policies as authorized by state statutes for management of the countywide road system, administering its own budget and hiring its own full-time managing director and staff.

Citizen requests for information are given special attention by the Road Commission’s Department of Customer Services (DCS). That office may be reached between 7:30 a.m. and 4:15 p.m. weekdays by dialing (877) 858-4804, or via e-mail at the Road Commission website: www.rcocweb.org.

ONE STOP SHOP
PLANNING AND ECONOMIC DEVELOPMENT SERVICES

GET MAPS, AERIAL PHOTOGRAPHS,
DEVELOPMENT INFORMATION AND BUSINESS ASSISTANCE

Oakland County's One Stop Shop provides the expertise, knowledge and contacts to meet just about any resource need. Staff provides specific business services to assist businesses of all sizes from start-up to growth and expansion needs. Primary services are one on one consulting, financial analysis, loan package assistance, customer/competitor profiling, real estate assistance, fixed asset financing, market information and workforce recruitment. You can turn to our experts for help in many areas, including map products, community planning, business support and development, land and site data, community networking, financing and more.

Managed by Oakland County's Economic Development Services & Community Affairs (EDCA), the One Stop Shop Business Center is a resource center with a wealth of information where you can also find current property information and high-resolution aerial photographs (dating back to 1963) which are now just a few clicks away with a self-serve mapping system.

Users can locate property in Oakland County, or using the custom search tools, generate a list of properties by size, use, school district or assessed value. Products can be printed in a number of different formats and sizes.

Development data, population, housing, income, employment, land use, master plans, zoning and environmental data are available in both printed and electronic formats. Countywide and community-specific information, along with county regional comparisons, helps the business community and citizens fulfill their information needs. Staff will answer questions about land use, the location of sensitive ecological areas, soil conditions, demographics and economic trends.

For your information needs please call us at (248) 858-0720, or visit the One Stop Shop in the Executive Office Building at 2100 Pontiac Lake Road, Bldg. 41 West, Waterford, MI 48328. Please visit our website for the latest information and services at http://www.oakgov.com/oss. Map sale hours are 8:30 a.m. to 4:30 p.m. Monday through Friday.
