

Oakland County Clerk's Office New Attorney Oath of Office Process During the State of Emergency

Once you have passed the Michigan State Bar Exam you must be sworn in by an Oakland County Circuit Court Judge or a Supreme Court Judge who will administer an oath of attorney. Note: If you are being sworn in by any other judge, i.e. District Court Judge, you must provide our office with a copy of the State Court Administrator Office Assignment (SCAO) letter.

After your swearing in ceremony has been held with a judge, you will need to follow all instructions in this packet and eFile the required documentation, Oath of Attorney and filing fee to the Oakland County Clerk's Office.

Swearing in ceremony with a Judge

- Individuals may contact the chambers of an Oakland County Circuit Court Judge directly to schedule a swearing in ceremony. Their office will provide instructions on how the hearing will be conducted and what documentation you may need to provide to them.
- If you are participating in the Oakland County Bar Admission (OCBA) mass swearing in ceremony, contact the OCBA on what is required and how the video hearing will be held.

Once your swearing in ceremony has been conducted:

1. The judge's staff will most likely eFile your Order of Admission after your ceremony has been conducted. If so, you do not need to submit it to the Clerk's Office.
 - a. If the judge's staff do not eFile the Order of Admission for you, you will need to eFile it with the rest of your documents.
2. If you are participating in the mass ceremony through the OCBA, your Order of Admission will be automatically eFiled for you.

Complete the Official Oath of Attorney (after ceremony)

1. You will need to print out the attached Official Oath of Attorney and **sign it**. The oath **MUST** be signed using your handwriting. You **CANNOT** sign using an electronic or digital signature.
 - a. Your signature must be the same as the name on your Order of Admission or a very close version.
2. Type or legibly print your name and address.
 - a. Provide a valid address where our office can mail certified copies back to you.
3. Leave the rest of the fields blank for the Clerk's Office.

Prepare and submit your documents for eFiling

1. Scan and save:
 - a. Your signed Oath of Attorney.
 - b. "Greetings" letter received from the Board of Law Examiners. (This is the letter sent to you which states your admission to the Bar has been recommended.)

- c. Order of Admission if provided to you (some judges may eFile this order for you if you had an individual ceremony).
- d. If you are being sworn in by a judge other than circuit or supreme court, i.e. District Court Judge, you must also eFile a copy of the SCAO Assignment letter.

Submit Documents to the Clerk's Office

1. eFile the required documentation (a-d above, if applicable) to the Clerk's Office using MiFILE (powered by TrueFiling).
 - a. Login to <https://mifile.courts.michigan.gov>.
 - b. A quick guide to sign up/register can be found at www.oakgov.com/efiling.
 - c. You must register your role as a pro se litigant.
 - i. **Important note:** once you receive your P number, it is recommended that you update your role in MiFILE as an attorney prior to eFiling into any cases within Michigan.
3. Search for and select case number 2021-999999-XX. This number has been set up to process your Oath of Attorney with the Clerk's Office during the pandemic only.
4. Upload all required documents. You may upload them as one combined document or upload them as separate documents within the same transaction (bundle).
5. In the Filing Type dropdown box, you must select "Appeal - \$25.00." (It should be noted that the statutory filing fee is \$25.00 to process your bar admission with the Clerk's Office and selecting "Appeal" is a workaround to collect the required fee during the state of emergency.)
6. **Important notes:**
 - a. Before you proceed to the payment screen, unselect the "Serve Document" option at the top of the upload page. Otherwise, your eFiling submission will be served on any other new attorney who may be listed on the service recipient list. Be sure that only "File Document" is selected.
 - b. MiFILE will automatically add you as a service recipient to 2021-999999-XX upon filing your documents. It is highly recommended that you go back into the case number and remove yourself as a service recipient to avoid receiving future filings from other new attorneys.
7. Follow the rest of the prompts in MiFILE to submit your documents to the Clerk's Office.

After the Clerk's Office receives your documents

1. Once our office has received your signed Oath of Attorney, \$25.00 fee, Greetings letter (and SCAO Assignment letter if applicable) through the eFiling portal, we will mail you two certified copies of the signed Order of Admission.
2. Our office will also email your Order of Admission to the State Bar and Supreme Court as required by law, on a weekly basis. If you choose, you may also submit a certified copy of the order to the State Bar to obtain your P Number, although it is not necessary.
