GENERAL OPERATING MILLAGE PROPOSAL (RESTORATION OF "HEADLEE" REDUCTION)

This proposal requests an increase in the millage rate for general municipal purposes. The "Headlee" amendment to the Michigan Constitution of 1963 has caused a reduction in the City of Lake Angelus' millage rate. Shall a "Headlee Override" be adopted so that the current limitation on the amount of City taxes that may be levied against all taxable property in the City of Lake Angelus, Oakland County, Michigan be increased up to 2 mills from 10.1588 to 12.1588 mills (\$12.1588 per \$1,000 dollars of taxable value on all real and personal property)? If approved and levied in its entirety this additional millage could raise an estimated \$130,000 for the City of Lake Angelus.

Shall the City of Lake Angelus, Charter, Chapter VI, Section 6.5 be amended to so provide?

CHARTER AMENDMENT PROPOSAL 4

Question

Shall the Novi Charter be amended to reorganize and restate the existing Section 4.6, which describes the City’s administrative plan; to combine the provisions of Section 4.13, which establishes the Finance, Public Safety, and Public Service departments and authorizes the Council to create other departments, with the reorganized and restated Section 4.6 and delete Section 4.13 entirely; to provide in Section 4.6 for the establishment of administrative departments and offices by both Council and the City Manager; and to amend the current reference to Section 4.13 contained in Section 4.7 to a reference to Section 4.6?

CITY OF PLEASANT RIDGE

Proposal A

"Shall a "Headlee Override" be adopted so that the current limitation on the amount of City taxes that may be levied against all taxable property in the City of Pleasant Ridge, Oakland County, Michigan be increased:

CITY OF ROCHESTER HILLS

PROPOSAL TO REVISE PERMISSIBLE USES OF GREEN SPACE MILLAGE

At the September 13, 2005 Primary Election, City of Rochester Hills voters approved a Proposal to provide funding to permanently preserve green spaces and natural features within the City "by funding the purchase of land and interests in land, and enabling the City to seek matching grant funds by levying a new millage of up to 0.3 mills." It is proposed to revise the permissible use of tax revenues derived from this millage to authorize it to be used to fund the protection, care and maintenance of, and to improve pedestrian accessibility to and within, green spaces and natural features owned, acquired or controlled by the City, in addition to funding the purchase of land and interests in land.

Therefore, shall the permissible use of tax revenues derived from the green space millage be revised to authorize it to be used to fund the protection, care and maintenance of, and to improve pedestrian accessibility to and within, green spaces and natural features owned, acquired or controlled by the City, in addition to funding the purchase of land and interests in land? CHARTER AMENDMENT “PROPOSAL 1”

Currently, the City Charter at Chapter Three, Section 3, restricts eligibility for Mayor or Commissioner to persons who first has attained the age of 25 at the time of election.

Shall the proposal be adopted?

Currently, the City Charter at Chapter Three, Section 3, restricts eligibility for Mayor or Commissioner to persons who are freeholders of the city (real estate property owners).

OPERATING MILLAGE RENEWAL PROPOSAL

This proposal, if approved by the electors, will allow the School District of the City of Royal Oak to continue to levy the number of operating mills required for the School District to receive revenues at the full per pupil foundation allowance permitted by the State of Michigan.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, situated within the School District of the City of Royal Oak, County of Oakland, State of Michigan, be increased as provided in the Michigan Constitution, in the amount of 18 mills (\$18.00 on each \$1,000 of taxable valuation), and against all principal residences and other property not exempted by law, by 3.4 mills (\$3.40 on each \$1,000 of taxable valuation), both millages to be for a period of seven (7) years, from July 1, 2014 through June 30, 2021, inclusive with the above 18 mills and the above 3.40 mills (which is a reduction from the 3.5030 mills previously authorized by the electors) being a renewal of millage which would otherwise expire on December 31, 2013? These operating millages if approved and levied, would provide estimated revenues to the School District of Eighteen Million Eight Hundred Thousand (\$18,800,000) Dollars during the 2014 calendar year, to be used for general operating purposes.

SOUTHFIELD PUBLIC SCHOOLS

RENEWAL OF OPERATING MILLAGE

This proposal would renew expiring authority of the Southfield Public Schools to levy mills for general operating purposes. Under this proposal, due to current enrollment projections and statutory exemptions, principal residences, qualified agricultural property, industrial personal property and other property to the extent not otherwise exempt for this purpose under State law would be partially exempt from the 18 mill levy, and the School District would continue to be eligible to receive full per pupil revenue permitted by law.

As a renewal of authority which expires with the 2014 levy, shall the limitation on the taxes which may be levied upon taxable property in the Southfield Public Schools, Oakland County, Michigan, be increased by 18.00 mills (\$18.00 per \$1,000 of taxable value) for six years, the years 2015 to 2020, inclusive, to provide funds for operating expenses of the District? Of the 18.00 mills, no more than 17.6345 mills (\$17.6345 per \$1,000 of taxable value) may be levied on principal residences, qualified agricultural property and industrial personal property. This authorization would allow the District to raise through levy an estimated \$ 41 million in operating revenue in 2015.
