**OFFICIAL LIST OF PROPOSALS
GENERAL ELECTION – NOVEMBER 7, 2017**

CITY OF CLAWSON

Sidewalk Improvement Bond Proposal

Shall the City of Clawson, Michigan, borrow the sum of not to exceed Two Million One Hundred Twenty-Five Thousand Dollars (\$2,125,000) and issue its general obligation unlimited tax bonds, in one or more series payable in not to exceed ten (10) years from the date of issuance, for the purpose of paying the costs to acquire, construct and improve sidewalks in the City, including all related appurtenances? The estimated millage to be levied in 2018 is 0.28 mills (\$0.28 per \$1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds is 0.58 mills (\$0.58 per \$1,000 of taxable value).

CITY OF KEEGO HARBOR

**CHARTER AMENDMENT 1
DEDICATED POLICE MILLAGE**

An amendment to Section 11.5 of the City Charter to add Section 11.5(a) to authorize the levy of 4.0 mills for police purposes for the years 2018 to 2026.

This amendment authorizes the annual levy of not to exceed 4.0 mills for 8 years, 2018 to 2026, for police purposes. Approval would increase the tax levy by 4.0 mills as new additional millage in excess of the limitation imposed by law, restoring a portion of the Charter millage authorization previously approved by the electors, since reduced by the Headlee amendment. If levied, 4.0 mills would raise approximately \$369,106.00 when first levied in 2018. Approximately \$40,344.00, will be required to be distributed to the Tax Increment Finance Authority.

Shall this proposed amendment be adopted?

Property Seizure and Forfeiture

New Section 18.7 of the Charter of the City of Keego Harbor, Michigan

Section 18.7. Property Seizure and Forfeiture.

As used in this section, “property” shall be liberally construed to include assets and possessions; “employee” includes anyone acting under the authority of the city. A conviction of a criminal offense is a prerequisite to forfeiture and the transfer to the City of Keego Harbor of title to property directly used in or derived from that offense. All revenues from forfeited property, including revenue derived from sharing proceeds of forfeited property from cooperation with other federal, state, or local agencies, shall be placed in a separate fund, used only to pay costs directly related to local street repair, and shall not be earmarked or allocated to law enforcement or code enforcement. At any time, a property owner may ask the City or a court to return property that was wrongly seized or because there is no reason for the City to continue to hold the property. No bond shall be required on any property seized under authority of the city. If property is wrongfully seized, the City has no reason to continue to hold the property, or the property owner is not convicted of a criminal offense that has a forfeiture provision, the city shall return, replace, or provide full compensation for any property damaged, defaced, or devalued as a result of seizure by city employees. Records of all property seizures shall be indexed by date, department, name of owner, property type, and seizure value, and include details of the conviction. These records shall be published monthly on the city’s publicly-accessible website consistent with Michigan’s Freedom of Information Act 442 of 1976.

CITY OF LATHRUP VILLAGE

Petition Initiated Charter Amendment To Add Section 17.14 Property Seizure and Forfeiture

“Shall the City of Lathrup Village Charter be amended to add a new Section 17.14 providing that a criminal conviction is required before forfeiture of any property to the City; that all revenues from forfeited property in connection with any crime must be used solely for street repairs and may not be used for law or code enforcement purposes; that a property owner may seek the return of forfeited property and the City must return, replace, or pay compensation for such property under certain circumstances; and that the City must keep records of forfeited property and publish such records monthly.”

CITY OF PLEASANT RIDGE

Proposal 2017 – 1

Police Pension Stabilization Millage Proposal

Shall the City of Pleasant Ridge be authorized to levy up to an additional 1.40 mills (\$1.40 per thousand dollars of taxable value), for the purposes of funding currently underfunded police pensions. The millage shall be authorized for a period of 15 years with the first levy in July, 2018, provided that the City shall not be authorized to increase such levy by more than 0.35 mills in 2018, or by more than an additional 0.35 mills each year thereafter, up to the maximum millage herein authorized. The intent of this request is to allow the partial restoration of City Charter authorized millage which was reduced by Section 31 of Article IX of the State Constitution of 1963. The initial 0.35 mill increase would raise the sum of approximately \$50,750 in 2018.

CITY OF ROYAL OAK

PROPOSAL TO REMOVE OBSOLETE AND SUPERSEDED CHARTER PROVISIONS IN CHAPTERS THREE AND FOUR OF THE ROYAL OAK CITY CHARTER

At the general city election in November 2011 voters adopted amendments to the Charter at Chapter Three, Section 4, adjusting the date and time commissioners and the mayor would start and end their terms of office from the first Monday in December to the third Monday in November in the year of their election. This proposal, if adopted, would remove obsolete and superseded references from Chapter Three, Sections 3, 4, 5 and 9 and Chapter Four, Section 21 that still refer to the rescinded term of office that started on the First Monday in December.

Shall the proposal be adopted?

PROPOSAL TO REMOVE CHARTER PROVISIONS IN CHAPTER FOURTEEN, SECTION 11 OF THE ROYAL OAK CITY CHARTER

Chapter Fourteen, Section 11, requires that any public improvement costing more than \$1,000 can only be approved after drawings, profiles, and estimates are submitted to the commission. The limitation of \$1,000 was set by the Charter adopted in 1921. The proposal, if adopted, would eliminate this section and allow the city commission to set the limitation.

Shall the proposal be adopted?

NON-HOMESTEAD OPERATING MILLAGE PROPOSAL

This authorization will (i) restore the authority of Farmington Public School District to levy 18.00 mills previously authorized and levied for general operating purposes on non-homestead taxable property (comprised primarily of business, commercial, and rental property) which has been reduced by 0.1548 mill by application of the Headlee Amendment, and (ii) increase the prior authority by 1 mill in the event of future Headlee rollbacks of the same amount.
