Question & Answer Session 1:00 – 1:30 p.m.

You've just been appointed as a conservator. Are you thinking, "NOW WHAT?" Or maybe you've been acting as a conservator, and still don't really understand the process. Either way, this class is for you.

This Basic Training course, which provides essential information and tools for handling your duties as a conservator, is taught by a local attorney who is an expert in the field. Although he won't be able to provide legal advice regarding specific situations, he will be able to show you how to work through the procedures and forms you need to fulfill your legal responsibilities as conservator. Explanatory hand-outs are provided.

Conservators are welcome to attend the class multiple times if additional information is needed.

Please join us for this informative and practical class on conservatorships!
