

NOTICE

Regarding Inventory Fees

2005 Public Act 326 was effective December 27, 2005

Inventory fees must now be rounded to the whole dollar.

Courts have been instructed to “drop [inventory fee] amounts under 50 cents, and increase amounts from 50 to 99 cents to the next dollar.”

Our cash register has now been programmed to do this automatically.

Example: A fee of \$381.50 becomes \$382.00

A fee of \$381.22 becomes \$381.00

Checks must be for the exact amount (no cents).
