Re: UPDATE on the County CARES Act reimbursement program

Several Important Updates:

1. We are extending the deadline for submission of COVID related expenses until November 30, 2020.
2. We will start to approve those that have been submitted and do so on an ongoing basis going forward until the November 30 deadline.
3. We are expanding the expense eligibility to include eligible payroll for “public employees.” This is for libraries, community centers and senior centers that are public. Eligible payroll may include: payroll for employees substantially dedicated to COVID-19 mitigation, payroll for unbudgeted Administrative Leave for employees who could not come in during the Stay at Home Order or work remotely. Please contact us for additional guidance.
4. If your center is a 501 c 3 please contact us as your eligibility is different than public entities.
