Adult Foster Care Homes provide care to adults who need assistance with tasks of daily living. Many are located in private homes or small facilities. To locate a home, go to [www.michigan.gov/lara](http://www.michigan.gov/lara), click on *Community & Health Systems* in the left column, then *Adult Foster Homes*. Under *General Public*, click on *Search for Adult Foster Care and Homes for the Aged* to search for a location.

Some independent living apartments may have available services to assist with tasks of daily living. See the *Housing: Independent Living* page. Other services such as short term stays, respite care, hospice care and more may be available. Check with each facility for options.
