Southfield: 248-552-3008

Warren: 586-510-1814

Ombudsmen are advocates for residents in long term care facilities and will assist residents and their families in resolving individual concerns about care, services, rights, safety, admission procedures, billing, and other issues. They are able to give assistance with finding nursing homes in your area. They can give information on locations and past Survey results. Ombudsman staff WILL NOT endorse any nursing home, they will give information for you to make an educated decision.
