GUARDIANSHIP REVIEW PROGRAM

Do you like meeting new people? Do you like choosing your own hours? Are you compassionate and want to make a difference?

LOOK NO FURTHER!

The Oakland County Probate Court is looking for compassionate and responsible adults to help with guardianship reviews. If you choose to volunteer, you will be asked to decide whether a guardian is giving satisfactory care to children and/or adults who are subject to guardianship. Once the review is finished, simply return your completed report to the court for processing.

The court currently performs these guardianship reviews remotely using video communication; however, an in-person visit may be necessary in some cases. If desired, the court will reimburse for mileage. As a volunteer, you choose the number of cases assigned to you each month, and the day and time of the scheduled visits. To become a volunteer, you must be at least 18 years old, have your own transportation, complete the application/background check provided by the Case Management Coordinator, as well as attend an orientation/training session. We have wonderful court professionals and seasoned volunteers here to help every step of the way. We look forward to working with you. If you have any questions, please contact the Case Management Coordinator at 248-858-0288.
