This Basic Training course, which provides essential information and tools for handling your duties as a guardian, is taught by local attorneys who are experts in the field. Although they won't be able to provide legal advice regarding specific situations, they will be able to show you how to work through the procedures and forms you need to fulfill your legal responsibilities as guardian. They will also give you practical advice on how to handle many situations common to adult guardianships.

Please join us for this informative and practical class on guardianships!
