Question & Answer Session Following

You've just been appointed as a conservator. Are you thinking, "NOW WHAT?" Or maybe you've been acting as a conservator, and still don't really understand the process. Either way, this class is for you.

This Basic Training course, which provides essential information and tools for handling your duties as a conservator, is taught by local attorneys who are experts in the field. Although they won't be able to provide legal advice regarding specific situations, they will be able to show you how to work through the procedures and forms you need to fulfill your legal responsibilities as conservator. They will also give you practical advice on how to handle many situations common to conservatorships. Hand-outs are provided on-line.

Please join us for this informative and practical class on conservatorships!
