DOWNTOWN ROCHESTER CERTIFICATE OF RECOGNITION

MAIN STREET OAKLAND COUNTY 25TH ANNIVERSARY

The Rochester Downtown Development Authority is pleased to recognize Main Street Oakland County on the occasion of your 25th Anniversary.

Established in 2000, Main Street Oakland County is the first and only county-wide Coordinating Main Street program in the United States. Main Street Oakland County assists in the revitalization of downtowns and commercial corridors through historic preservation, economic development, and community engagement. Since its inception, Main Street Oakland County communities have attracted over \$1.2 billion in public and private investment, created nearly 8,400 jobs, and opened more than 1,500 new businesses.

As one of the first three communities selected to join Main Street Oakland County in 2000, Rochester has reaped the benefits of the valuable community support programs, initiatives and recognition programs over the past 25 years. In 2024, Rochester was a recipient of the MSOC Placemaking and Public Spaces Grant, bringing over \$900,000 to our community for The Market + The Graham Project. This project would not have been possible with Main Street Oakland County's support.

The Rochester Downtown Development Authority is honored to recognize Main Street Oakland County and thank you for your unwavering support of Downtown Rochester. We are proud to be a Main Street Oakland County Select Level Community and look forward to continuing to work together for the continued growth of our downtown.

Made and passed this 16th day of July, 2025.

Ben Giovanelli, Chairman
Rochester Downtown Development Authority
