

## Attention Retirees/Beneficiaries receiving Medicare Reimbursement!

You are **ONLY** required to send proof of your Medicare Part B cost if the amount you pay is **HIGHER** than the standard premium due to your income.

In 2025, the standard premium was \$185.00 per month. You will receive the 2026 premium notice towards the end of the year after the new rates are established. **All retirees/beneficiaries receiving Medicare reimbursement will automatically be placed at the new 2026 standard Part B rate unless Oakland County receives proof of higher premium costs.** We thank you for your cooperation as we streamline our process.
