

Partnership Vision

Farm-Based Recreation Expansion

Parking, Pavilions, Trails and Event Space Upgrades

Agricultural Education Enhancements

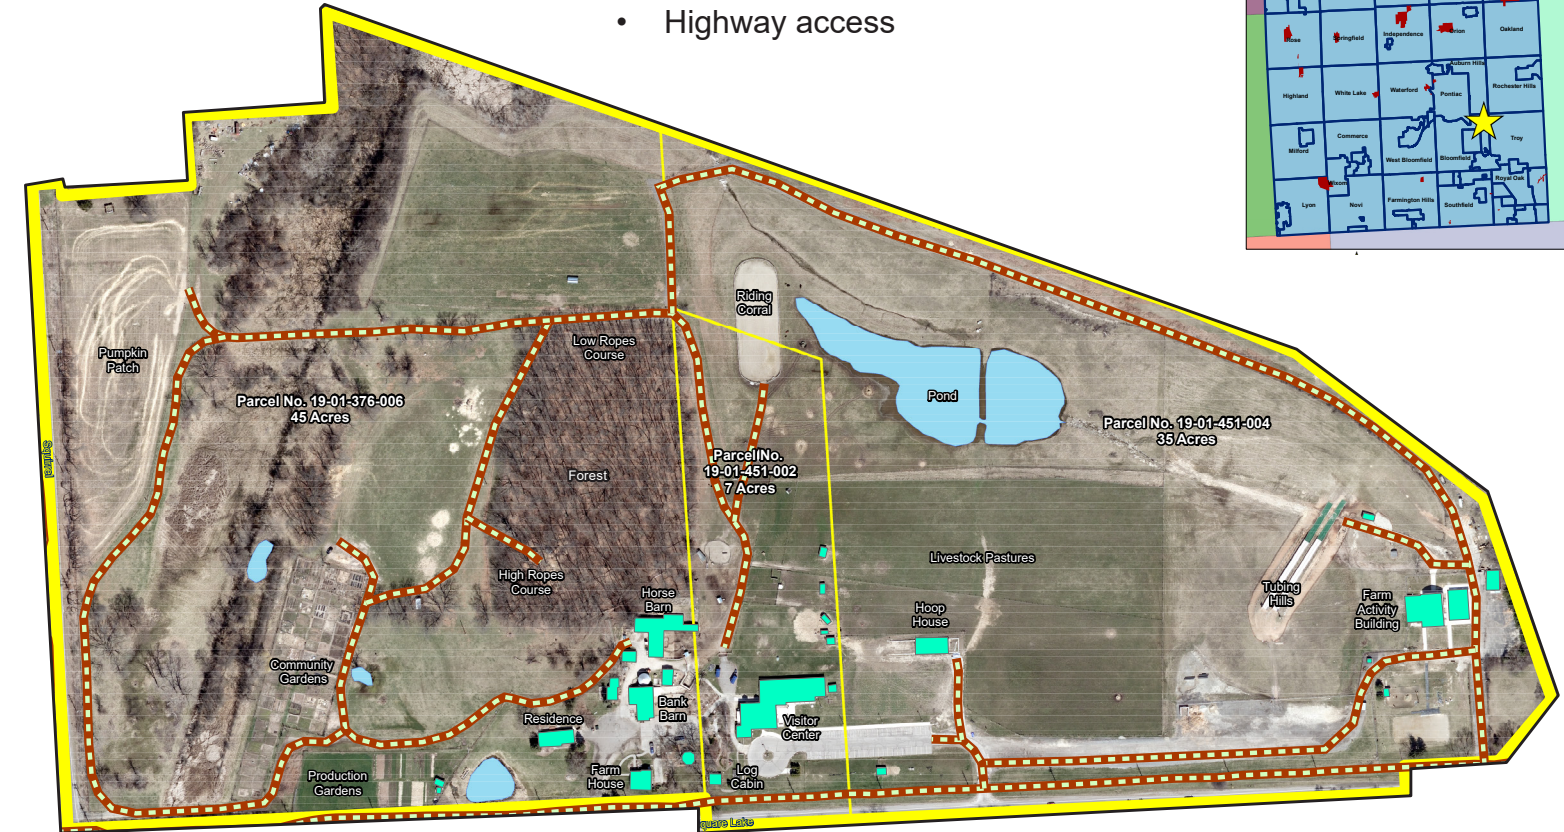

Destination Experience Investments

Bowers School Farm

- 93 - acre farm and recreation area
- 65,000 annual visitors
- Highway access

Site Zones

- **Education “Exploration as Learning” Zone**
Curiosity drives discovery in this space where academic concepts come alive with lessons that turn farm work into meaningful education
- **Recreation “Healthy and Active” Zone**
Emphasizes healthy lifestyles through food, physical activity, and hands-on garden experiences that connect people to what nourishes them
- **Agricultural Heritage “Our Roots” Zone**
Highlights the community’s legacy through preserved historic buildings and immersive heritage agriculture experiences, connecting to traditional farming practices and rural life
- **Nature and Habitat “Heart & Hands Zone”**
Meaningful work comes alive, caring for animals, cultivating crops, and engaging in the physical effort that nourishes both body and spirit
