

Children's Special Health Care Services (CSHCS) Supporting Parents **FREE** Webinar Series

Thursday, March 26, 2026

12 - 1 p.m.

Microsoft Teams

Bridging the Gap: Health Care Transition Planning for Families

**Speaker: Michelle Burgher, Transition Specialist, MDHHS
Children's Special Health Care Services**

Would you like to know more about planning for transitions in your family members' health care needs at different times in life? Michelle will help you understand the importance of health care transition planning, including supports and resources available to families as children grow into adolescence, and young adults grow into adulthood.
