

Let Oakland County Parks

BRING YOU THE STARS WITH A

PORTABLE PLANETARIUM

Our portable, inflatable planetarium brings the wonder of the night sky indoors. Take a naturalist-guided tour of the current night sky as it's projected on the inside of the dome. Programs may help teachers meet some Michigan Next Generation Science Standards.

- Accommodates up to 30 people per presentation.
- Presentations are 45 minutes. Change time is needed between programs.
- Intended for participants ages 6 and older
- All groups require adult supervision, including inside the dome, during presentation.
- Requires a quiet, clean area with electricity in a 23' x 23' x 11' room

Portable Planetarium Pricing:

At your site:	\$225/first presentation \$100/each additional presentation
At the Nature Center:	\$100/first presentation \$75 each additional presentation
After hours/evening:	Additional \$75
Out-of-county:	Additional \$75
