

TRAILBLAZERS HIKING SERIES

TrailBlazers is a 4-month long hiking series offered at select parks. Each series offers a chance to stretch your legs on a 1-hour guided hike on a variety of topics. Walkers should dress for the weather and bring a water bottle and bug spray.

HIKING SERIES KEY

The Wood Wide Web

Trees are using networks of mycelia to communicate. Find out how and why this helps the forest community.

Native, Naturalized, Invasive

Learn the history of Michigan's introduced plants - how did they get here? Who brought them? Why were they brought? Which ones are harmful to native species and which ones have become naturalized during their time here?

Fly Away Home

Birds, butterflies and bats are set to make their way south. Find out why some species leave while others stay.

Fall Color Tour

Enjoy the fall splendor and discover the science behind why leaves change colors.
