Subject: e-vote re Imaging System

Good morning. We are in need of an e-vote for the Courts/Justice Administration Leadership group. I have been requested to put a vote before the group to move 74.75 hours from Courts Unallocated budget to the Imaging System Replacement Analysis project. The additional hours are needed to cover tasks to review document management solutions for 2 additional non-G2G vendors. Pursuant to Janette's email from Friday regarding the recalculation of hours in the Courts Unallocated budget, I calculate that, if this vote is approved, the remaining unallocated hours will be 391.25. (Someone will want to double-check my math.)

So, we have need of two votes:

1. Do you approve of an e-vote on this issue?
2. Do you vote to approve moving 74.75 hours from the Courts Unallocated budget to the Imaging System Replacement Analysis project for the reasons stated above?

Thank you.
