Subject: E-Vote

We have received a request for an e-vote to add 35 hours to the Clerk's Office Enhancement Budget. The description is as follows:

[The estimate to enhance Order Vital records ... is 35 hours. The change will allow the Order Vital Records application to take advantage of the web services in Shopping Cart so that the application does not lose information when a public user orders Vital Records causing Clerk's Office to be unable to fulfill the request.](#)

Please respond with your vote regarding handling the matter by e-vote and your vote regarding moving the hours.

Thank you.
