Subject: FW: Access to Sealed Cases

Please see the attached Scope and Approach for the Clerk's Office Access to Sealed Cases project. At the April Leadership Group meeting we voted to proceed with an evote.

The total hours for the project are 430, which would come from the Courts unallocated budget. There are currently 604 unallocated hours available.

At the April meeting, we voted that, if approved, the Sealed Records project would have a priority of 4.

Because we preapproved the evote, I just need a vote from everyone on using 604 unallocated hours for the County Clerk's Sealed Records project.

Please indicate yes or no in a return email.

Let me know if you have any questions.
