We have eight yes votes for each question. Motion carries.

Still haven't heard from everyone on the minutes that were circulated. If you didn't respond in that, please shoot me an email.

Thanks everyone. Have a great week.

Subject: FW: request for eVote

Good morning. We have received a request for an e-vote regarding a project for the District Courts.

The request is for approval to allocate 84 hours from the 1,325 available unallocated hours to the Enhance eTickets for Misdemeanor Payments project. The hours would be for Business Requirements and System Design to include partial payment processing functionality for Misdemeanors that is currently not part of the existing Civil Infraction eTicket Payment Processing System.

Q1: YES or NO

Does the Courts Leadership Group authorize an electronic vote on this request?

Q2: YES or NO

Does the Courts Leadership Group approve the additional allocation of 84 hours to the Enhance eTickets for Misdemeanor Payments project?

Thank you.
