Subject: Request for evote

Good morning. The Circuit Court has submitted a project for the imaging of confidential juvenile records. The court has been awarded monies to purchase scanners for this project. The Scope and Approach documents and the ROI are on the Leadership Group website. This project is an effort to improve efficiency and expedite record distribution by imaging Juvenile Court and Adoption confidential documents using workflow to improve access to records.

We have a request for an e-vote to send this matter for sizing.

Please vote on the following:

1. Do you approve an e-vote regarding sending this project to sizing?
2. Do you approve sending the Juvenile Court and Adoptions documents project for sizing?

Please let me know if you have any questions.
