Subject: Finance/Admin Leadership Group eVote Needed - PeopleSoft Research RFP

Todd,

As the vice chair for the IT Finance/Admin Leadership Group I believe I need to go to you with this request due to Jim VerPloeg's departure. I would like to have the below submitted for eVote regarding hour allocation for the PeopleSoft Research RFP; I am sending this on behalf of the project sponsors Jennifer Hain and Lynn Sonkiss. Please let me know if you have any questions or concerns.

Finance/Admin Leadership Group:

Human Resources and Fiscal Services are requesting an eVote to remove 40 hours from Immunization Deploy EB and 17 hours from Financial / Supply Chain EB for a total of 57 hours to the PeopleSoft Research RFP project. The hours have already been negotiated from their respective divisions. This is to add hours for the new technical review process and the addition of a resource to the project for several tasks.

Two questions that require the group's vote:

Q1: YES or NO

Does the Finance/Admin Leadership Group authorize an electronic vote on this request?

Q2: YES or NO

Do you approve the moving of 40 hours from Immunization Deploy EB and 17 hours from Financial / Supply Chain EB for a total of 57 hours to the PeopleSoft Research RFP project?
