# ABOUT 4-H

## **4-H is a Community**

4-H is delivered by Cooperative Extension—a community since 1902 of more than 100 public universities across the nation that provides experiences where young people learn by doing. Youth complete hands-on projects in areas like health, science, agriculture and citizenship, in a positive environment where they receive guidance from adult mentors and are encouraged to take on proactive leadership roles. Youth experience 4-H in every county and parish in the country through in-school and after-school programs, mentoring, school and community clubs and 4-H camps.

Our programs are available for youth ages 5-19. When you go to 4-H events and activities, contagious laughter and smiles are everywhere. When you join 4-H you are joining a family.

The 4-H's stand for Head, Heart, Hands and Health. They represent the four values members work on through fun and engaging programs.

**HEAD** = Managing & Thinking

**HEART** = Relating & Caring

**HANDS** = Giving & Working

**HEALTH** = Being & Living

In Michigan, 4-H Youth Development is delivered locally and operated through a partnership between the county government, Michigan State University Extension, and the U.S Department of Agriculture.

# HOW DO I START?

Take a look at what our clubs have to offer in Oakland County. Contact the club leader directly to see if that club will be a good match for your family. The final step is to register online at [mi.4honline.com](http://mi.4honline.com). Check out county wide programs online at [www.oakgov.com/msu/4h](http://www.oakgov.com/msu/4h).

## **Want to Volunteer?**

4-H is always looking for volunteers. Adults aged 21 and older are encouraged to help our clubs. 4-H is a volunteer-powered organization. Volunteers receive support, guidance, and help making ideas into reality from 4-H staff members. Other perks include access to 4-H curriculums, workshops, trainings, and other resources from Michigan State University Extension. Some volunteers choose to volunteer on a regular basis by starting their own clubs or volunteering with an existing club. Others help out on a short-term or annual schedule with special events or running short programs. To get involved, contact a 4-H Program Coordinator to discuss programming opportunities and receive information about how to complete the Volunteer Selection Process.
