# ARCHERY

HIGHLAND OAKS COUNTY PARK

## DEER HUNTING

Archery hunting is restricted to deer only, within main park unit, excluding 30 acres at the northwest corner of Milford and North Milford Roads.

In this designated area, hunting will be in accordance with Michigan Department of Natural Resources public land regulations.

**450-FOOT SAFETY ZONES FOR RESIDENTIAL/COMMERCIAL AREAS ARE SIGNED AND STRICTLY ENFORCED ON OAKLAND COUNTY PARKS AND RECREATION (OCPR) PROPERTIES.**

This program will help control the park's deer population. Hikers and hunters share the park during the season. Hunt responsibly.

Hunters are HIGHLY encouraged to take adult does to help manage the population. For best deer management practice, hunters are encouraged to take a buck that has at least three points on one side, a spread out to the ears and medium-heavy base. Deer harvested, or shot and not recovered, should be reported to park management within 24 hours by calling 248-634-9811.

### PARKING

Highland Oaks deer hunters must park at the day use parking lot accessible off Milford Road. A valid Oakland County Parks and Recreation vehicle permit is required. Unauthorized parked vehicles will be ticketed and towed at the owner's expense.

### VEHICLE PERMITS AVAILABLE FOR SALE

Vehicle permits are available at parking lot kiosk and park office during archery deer season Oct. 1-Jan. 31 annually.
