

Read to a ^{furry} Friend

THIS SUMMER KIDS CAN PRACTICE READING WHILE HANGING OUT IN KITTY CITY

Your children can help our shelter animals become more adoptable while strengthening their reading skills.

The **Read to a Furry Friend** program helps to reduce the anxiety of our shelter pets, helps to socialize them and brings them comfort until they get adopted. The experience also nurtures empathy in children and gives them practice reading aloud.

Contact Tracy Barnett at 248-391-6283 to set up a reading appointment today.

Children must be accompanied by an adult. Small groups or families up to 10 children at this time.

READING HOURS BY APPOINTMENT ONLY:

MONDAY - FRIDAY

11:00 a.m. – 4:00 p.m.
