

TOWN HALL MEETING

Monday November 20th, 6-8 PM

Cranbrook Institute of Science Auditorium
39221 Woodward Ave, Bloomfield Hills, MI 48304

From broken water mains to crumbling sewer infrastructure and lead service lines, Michigan's water infrastructure is in urgent need of repair. Join us to learn about the state of water infrastructure in Oakland County and across Michigan, and what we must do to solve the problem.

Seating is limited, so please RSVP today!
