

Join Oakland Community College for an Employer Focus Group on the New Computer Security Technician TRAINING PROGRAM

April 20, 2022 | 1:00 p.m.

Register at: eventbrite.com/e/computer-security-technician-virtual-focus-group-tickets-299578977787

Limited seats are available | Note: Once registration is complete, you will receive a separate email with the Zoom meeting details

Oakland Community College (OCC) is launching a new short-term Computer Security Technician Training Program and needs employer feedback.

Participating employers will have an opportunity to provide input on the training necessary for IT professionals to be successful in this career path. Plus, share their own talent needs. Help build the program to train your future employees!

A presentation on the upcoming training program and the resources available from Oakland County Michigan Works! will be given, followed by employer feedback and conversation.
