

Join the High-Demand Information Technology Industry Computer Security Technician TRAINING PROGRAM

Information technology and cybersecurity remain among the fastest growing industries in the country, with ample career opportunities in Southeast Michigan.

Oakland County Michigan Works!, in partnership with Oakland Community College, offers a no-cost, short-term Computer Security Technician Training Program to eligible students.

The entry-level training program features three classes and focuses on computer security, customer service, workplace skills and NC3 Mike Rowe. Upon completion, students earn certifications for positions as helpdesk technician, IT technician, helpdesk analyst and similar roles.
